

A GLORIOUS HABITATION FOR HUMANITY

Then they said, “Come, let us build ourselves a city and a tower with its top in the heavens, and let us make a name for ourselves, lest we be dispersed over the face of the whole earth.”

GENESIS
11:4 ESV)

Men have sought for a long time a better civilization in order to live in the glory that they don't know God designed for them.

When Adam fell to sin in the Garden, he also fell from a comfortable habitable environment in the glory of the garden; it was not just a physical fall but a spiritual one also. His fall lowered his perception of everything around him, as the glory in his perception faded away.

The reason for his fall was that instead of him to have enjoyed the glory God had given him in the garden, he

fell to the delusion that he could be more than what God had made him, essentially becoming like God (See Genesis 3:5). It was rebellion that led to his fall from the habitations of glory. Since then men have sought to attain this glory again, but many attempting this with the same seed of becoming more than what God ordained for them or making a name for themselves. We see an example of such an attempt with the men of Babel in the verse above

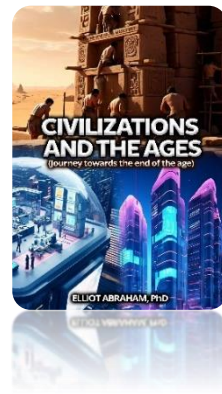

It will interest you to know that these men of Babel actually desired after a heavenly environment for habitation, not just the space to live in, because they were aware that the vastness of the earth was enough to accommodate them and didn't even want to be dispersed all over it. Till date civilization and discovery is seeking the very glory of the ages that God gave to men, but still accommodating the dent that caused the original fall; it is for this reason they never yet attain its fullness, but are always catching glimpses. But you are in the habitations of glory from your spirit. You dwell in Christ and Christ is the perfect place. Live from the habitations of glory today to influence your world.
