TRAIN YOURSELF WITH THE WORD

...as newborn babes, desire the pure milk of the word, that you may grow thereby...

1 Peter
2:2NKJV

Through the fellowship of God's Word, we experience the one and only opportunity that God has to talk to us, whether it is through worship, intensity of prayer, or studying the Word of God, that is why you must treat the use of your quiet time or your fellowship time, especially through the use of the Trumpets of The Ages devotional, as an important study time for you.

Because through the ministry of God's Word, you stand the chance to add more virtue to your spirit and more substance to your spirit. It is the more you use God's Word as a tool to add value to your spirit that your personality begins to change to take shape of what God has destined for you to look like. This

thing is so vital because there are many believers who do not spend time to pay attention to God's Word and casually read it. And in the multiplicity of the Word and revelation in their spirit, they are still deficient of the vitamins of God's Word. But did you know that if you would practically study the Word of God and decide on a daily basis to add valuable character that is taken from God's Word to your spirit, your spirit will become a reference point of the truth of God's Word?

That through the ministry of the Word of God in your spirit, you'll be as Apostle Paul calls; '*a living epistle*' and emitting the glory of God and increasing in that same glory from one level to another. This is important for you to do today. Take time to study the materials. Take time to let the word that you receive through the devotionals mean so much to you and minister so much to you.

Proclamation

I live by an attentive ministry of God's word to my Spirit. I take a daily and careful advantage of the word of God; appropriating its benefits to my Spirit.

ACT

Take time to study the materials. Take time to let the word that you receive through the devotionals mean so much to you and minister so much to you.

TAKE THEM AND APPROPRIATE THEM

**...as newborn babes, desire the pure milk
of the word, that you may grow thereby...**

**1 Peter
2:2NKJV**

The word of God has instrumental themes in them that can shape your spirit. Every time you need to imagine your spirit as an element that has to be formed and shaped beautifully by the themes of God's word. And you need to take them one by one and appropriate them in your life. To appropriate them means to apply them to form a particular shape.

So you can take a theme like faith and appropriate them into your life to shape you according to faith. Thus, you get to look as faith will look because your spirit is shaped. If you don't appropriate them you cannot grow according to the measure of

Christ. And you need to progressively do this by meditating on the scriptures that speak to the themes. In this light, scriptures on faith apply.

You can take for instance an important subject like your prosperity in Christ or your health. You can appropriate the power of the scriptures on these subjects and apply them to the state of your spirit. In appropriating them, you are applying the powers of the scriptures over your spirit to mould you into the glorious image it brings. You can take other themes like the anointing and scripturally apply the essences of this anointing in your life so that you can soon walk in the measures of the anointing.

Never did the glorious things you see other mighty men and women of faith we read of come by chance, they are appropriated and you must appropriate in the same manner as you've been shown.

Prayer Instructions

Pray fervidly over certain aspects you wish to appropriate God's word with. Find the relatable scriptures that speaks about these things and pray in tongues and confess what the word says.

TRAIN YOURSELF IN PRAYER IN TONGUES

For anyone who speaks in a tongue does not speak to people but to God...

**1 Corinthians
14:2NKJV**

These same truths are vital for prayer. Did you know that prayer is an opportunity for you to grow in your fellowship with God and your ability to bond with Him and have so much of a connection? When you spend time to pray, what you do is that you straighten your spiritual antenna in such a way that you are able to not just hear from God, but know His plans and know His promptings.

Many people don't value prayer or praying in tongues because they think it's a language that many don't understand. But praying in tongues usually releases your emotions to God. It's a language of emotions. It's not a language of words. The

tongues that are released speak of volumes of emotional speeches, that only the one tongue that you have cannot communicate. That is why it's important for you to emphasize the need of prayer and praying in tongues. You have to adopt it as a character to constantly lavishly express your emotions to God in greater depths.

One of the most important things about speaking in tongues is that it helps you communicate in depths. You're able to go into deep emotional exchanges with God. And the more you build on that experience, the more you get so deep with God. Those are the things that really bond you with God because you release deep emotions that touch God's deep emotions. And there are enough exchanges that causes great spiritual fulfillment and bring you to a point where you get the fullness of God revealed in you. This is why it's important to pray and speak in other tongues.

Proclamation

PRAY IN TONGUES FOR 7 MINUTES; ONLY FOCUS ON EXPRESSING YOUR PRESENT EMOTIONS TO GOD

HE SENDS AN ANGEL BEFORE US

See, I am sending an angel before you to protect you on your journey and lead you safely to the place I have prepared for you

Exodus
23:20 NLT

In the verse above we see a very prominent instruction from the Lord about the time He was preparing the children of Israel for what was ahead of them. He was sending an angel to go before them.

The secret to their success was going to be by how much the children of Israel were going to take these instructions. How were the children of Israel going to hear the instructions from an angel? It was by the fact that Moses' physical ministry to them was templating the spiritual ministry of angel that was sent.

Today, there are ministry of angels still going on today. And occasionally God gives spiritual strategies for His people to complete the spiritual tasks He has given them, even if they were a small group. God has sent an angel now and at this time to cause men to respond to us as a ministry and to you as an individual.

As the work of the harvest of souls around the world is climaxing, God is still looking for those who will be willing to partake of such angelic ministry to cause men to believe and respond in salvation. Scores of people will be drawn to your work in the harvest because of the angel God has sent before us in completing the work of the gospel. You have to take advantage of this word and ministry from the Lord through angels that will soon cause men to respond to the Lord. Pray fervidly to take advantage of the ministry given you today.

Prayer

Dear Lord and master Jesus, thank You for the marvelous ministry of angels to aid me in preaching the Gospel and rounding off the works of this age. I take advantage the angelic ministry now to cause men to respond to the Gospel. Hallelujah!!!

ANSWERS FOR THE GREAT FUROR

...the ruthless will vanish, the mockers will disappear, and all who have an eye for evil will be cut down...

Isaiah
29:20NIV

A great furor has covered the earth since Adam and his wife walked the garden. The mystery of life or of death and everything in between has been a disappearing smoke that no one saw the fire that lit it.

Why are we on earth? Where do we go from here? All the clouded realms of the uncertainties of life, which have gone on to cast a spell on humanity is now about to be answered by the final unfolding of the inspired word of God.

God's word is now on show time, the cross border of generational truth in the past, and the revelation of today are being given to those of us who believe is at a meeting point.

The scriptures were ordained by God and written in the hearts of Holy men of God, written not with ink but the inspiration of the Spirit (See 2 Corinthians 3:3). As these men poured out their hearts, they brought forth the answers to the greatest questions that will be unfolded.

Now some of the most prideful attempts to question God and the world around us are about to be dissolved. It is a great world of furor coming to an end. Many controversies are about to be settled and the world will be at a standstill, opposers will be quieted down by the coming inspired word. This is a prophetic word and you should prophetically pray it forth.

Proclamation

The word of the Lord is fulfilling its final mandate and I partake of it by faith. I am an answer in the great furor, dissolving doubts and shutting offenses to bring in the final liberty.

ACT

Spend time in thanksgiving for all the Lord has taught you and put you through for His cause. As you do, you will find meaning in every lesson and they will begin to work in you.

CLEAN UP THE CARCASSES

For it is time for judgment to begin with God's household; and if it begins with us, what will the outcome be for those who do not obey the gospel of God?

**1 Peter
4:17NKJV**

As part of the great furor, one of the works that will precede is in the church. Did they say everything can be done in the church too? Or so they said grace was available no matter what. To some in church, they believe they aren't perfect and it takes time to be perfect but all these assumptions are going to be wiped away before the great marriage supper.

God has made the church to be part of the bride of Christ. His greatest inspiration is that this church will have no spot, wrinkles or carcasses in them. He is cleaning up His house just like He did while revealing to John the mystery of the seven

churches in the book of revelation. Everything that has no spiritual meaning or impact will be thrown out as carcass. You have to be mindful of the path you are on as we come closer to the summit of the ages.

Lies will be treated as carcasses, so perfect truth, lust will be thrown out as carcass so pursue love. Any form of bitterness or selfishness or any inward-looking spiral of self-gratification will be a carcass that will be thrown out. For everything done in hiding will be exposed in these days. Deception is arrested for the true purity of the church to be revealed.

Prayer

Dear Father, my heart is set before You as an instrument of sacrifice. Your love fills my heart beyond the carcasses of sin. Not only do I stand pure, my desire for purity spends to others. Hallelujah

ACT

Spend time in thanksgiving for all the Lord has taught you and put you through for His cause. As you do, you will find meaning in every lesson and they will begin to work in you.

THE GAZING STOCK

**Blessed are you when others revile you
and persecute you and utter all kinds of
evil against you falsely on my account**

**Matthew
5:11ESV**

A gazing stock is a public ridicule of a person. When Jesus was with His disciples He told them of the gazing stock that will emerge against them. In the verse above, we see that He called those of us who are to be mocked because of His cause to consider the mockery as a blessing.

Today the mockery is not just about pointing fingers against us but the standards of the world taking shape than the church. More than ever we are wrapping up and the gazing stock of the cross is changing tables. Greater gatherings are going to be gatherings unto the Lord, surpassing concerts to worldly events. You are a part of this finishing grace carrier to harness

the coming glory. You must rise above the mockery to reveal the glory.

There will be unprecedented persecutions. We are going rise above it, knowing that the so-called wisdom they have will be turned into folly and foolishness by the glory of the Lord's testimony in the great furor

Take your position, set in full swing and motion. The gazing stock won't end, there we will appear with great strength to bring the intense glory that has been ready now

Prayer Instruction

Spend time to pray today. Declare that you are strong in your mind and even more certain about the work of the Kingdom in this period. Declare that you rise above every form of persecution with great strength and that the glory of the Lord will be more evident.

ACT Speak in tongues and experience the restoration of God.

LAUGH AT THE SCOFFERS

**But the one who rules in heaven
laughs. The Lord scoffs at them.**

**Psalm
2:4NLT**

One of the realities and situations that we face in our faith, is that many of the persecutors of our past literally try to make light our faith. And God has designed it that way, that his wisdom will never be made known to mere men, and even their foolishness will be a trap unto them. You have to understand that when people scoff at you, it's not time for you to cower down or begin to question yourself. When people laugh at you, your response should be laughter.

In the verse above, we see an interesting lamentation. The psalmist, who was describing how that the kings of the earth came to conspire against God, literally to make light of his rule

described God's response to them. The kings of the earth literally said that they didn't want God's authority and power to rule over them, and that they wanted to be in charge of their own systems and kingdoms. So they wanted to cut away God's control over them. The verse states something very beautiful, that God laughed at them. As you can see, it said, ***'He that sits in the heavens shall laugh and the Lord shall have them in derision'; literally scoffing back at them'***.

Derision means, a strong gesture of ridicule or strong mockery. Therefore, it is up to you to learn from God to laugh at scoffers and hold them in derision. It is on to you laugh at scoffers when you have victory over them. The laughter may not always be so much at the audible point, but there should be a joy in your spirit knowing that you far supersede the wisdom level of scoffers. For if they knew, they would have been able to tell of the future of their own lives, but they themselves live in confusion.

For the gospel to have its relevance and convictions in your spirit, you must defensively laugh at scoffers. You must laugh at scoffers not because you are afraid, but because you are super confident of what Christ has done and of what His kingdom means to you and for you. Hallelujah.

Proclamation

I scoff at scoffers and hold them in derision. Non have the power to hold me down, instead my faith prevails over them and subdues them rather leading to their salvation and conviction.

ACT

Speak in tongues and experience the restoration of God. Also, make it a point to heed to instructions this year

LIKE THE SHULAMITE WOMAN

She waits for him to knock, but by the time she opens the door, he has gone. She again searches the city, where the watchmen strike and wound her.

**Songs of Solomon
5:2 NKJV**

The Shulamite woman refers to the passionate woman in the scriptures; the Songs of Solomon who is known for her desire and emotional longing for her man. But her symbol was allegoric of Israel, and the church to the Lord. Her longing depicts how that Israel was to long for Jehovah and how the church should long for Christ.

There is no fit climaxing time for the church to manifest and to build this inner desire than at its utter brink and fulfilment in our day. What will attract the Lord to return unless a church ready for Him? The desire is in built and it must both attract the Lord and affect our world.

The sign of the Shulamite woman is here for us the church to understand, and you are central to this appearance and divine pull. God has designed a powerful pattern that according to the power of her desire, we too should build this desire to welcome our Lord.

The first sign is that, we cannot quiver or be shaken. The perfect church cannot allow fear to enter its heart, that shaking and quivering for fear is a spot that should cause a wrinkle. In describing her beauty, the Shulamite woman said; *'I am very dark, but lovely...'* (Songs of Solomon 1:5...)

She is dark but beautiful, the sun looks on her and adds more glory to her skin. We will in like manner walk in the power of the glory of the resurrection that defeats fear that quivers and shakes.

The next important reality is that her words are soft-spoken yet very powerful. In the same way we will tame nations with our words and we must start that today. We must start to tame with powerful words.

Another important sign is that she also moves mountains with whispers, and so will the power of even our whispers. Her tongue produces riddles with His glory, and power flows from

her hands. In the same manner our tongues will emanate the glory of God, and out of our lips will flow the honey from the honeycomb of the heart.

Proclamation

My Lord and my Lover, thank You for the opportunity to wait for Your return. Thank You that I don't just wait for You but I Prepare the world to meet You. It will surely be a sight to behold when we are all joined to You. I love You Lord.

ACT

DON'T WASTE YOUR DIVINITY

...by which have been given to us exceedingly great and precious promises, that through these you may be partakers of the divine nature...

**2 Peter
1:3 NKJV**

Divinity is the nature that you received when you became a Christian. God knows truly that without this nature in your spirit; it will be impossible to live through this life. The world has been designed since the rule of evil and darkness to plague down every good thing. Our world system doesn't support good things; it doesn't support the idea that good things should happen to people. It is a corrupted system that without divinity, you cannot beat the system.

When we received salvation, the full deposit of divinity was put into our spirits. God put all of the divinity that makes Him God

into each and every one of us, so that it can cause us to live above the evil design.

It's quite unfortunate, many believers don't use their divinity. They don't exercise their divinity to overpower the evil design. There have been believers who have never used this advantage. Many believers have lived in so great levels of disadvantages that could have been easily trampled over by the divine nature in them. Some have been so sick yet the power of God was right in them. Things have easily gone in the wrong direction in their lives that their divine nature could have fixed.

The reason for these underutilized divinity levels is because there is little or no vent for divine expressions especially from the body. For instance prayer, or lifting up of the hands in worship are great examples of opening the vent and windows for divine expressions, making sure that power is often stirred to take center stage when the world's decayed darkness tries to impose itself. Don't waste your divinity by being silent and quiet without releasing the power that is resident in you.

Prayer

I refuse to downplay the life of God in me. I make use of my divinity, tearing down and building up and in all taking over my world for His glory alone.

KEEPING THE WATCH

Keep watch and pray, so that you will not give in to temptation.

Matthew
26:41 NLT

One of the significant admonishing we are given in scripture in the last days is to keep watch. We are showed about four watches of the evening times. Particularly from 3am to 6am was usually known as the fourth and final watch of the night. It was also known as the time for the fisher men as they hit the peak of fishing. In essence such times are very important for prayer. Our Lord Jesus often used this peak of the night for His prayer times.

The word '*watch*' carries three important key areas that we must all endeavor to master as the age closes. Firstly, it speaks about being "*sober*", then being "*awake*" and finally being "*alert*". These three key words are vital for this responsibility

of keeping watch. Because no one knows the day or the hour, it is important that the watches of the night should be used as times for strong spiritual sightings through scripture study and prayer. These are the attributes of a watcher.

Even though it is important to pray concerning your life and future, that shouldn't take too long of your prayer times. Watching out for the day and hour goes beyond that. You need to prayerfully read the words of Jesus, of His Kingdom and the parables of the Kingdom.

You should mount guard over your post just like Habakkuk, for as such times the magnitude of His revelation sparks up your spirit with truth of His eminent return and His alarm to His people blows from within you to others.

Proclamation

I receive the grace to keep watch over my world. I don't just watch but I am sober, awake and alert. The world is kept from evil and brought into the glory of God because I stand my watch. Hallelujah

THE SOBER WATCHER

Now the end of all has drawn near.
Therefore be clear-minded and be sober
for the purpose of prayers..

1 Peter
4:7 BLB

One of the words that explain the place of a believer in watching is sobriety. Soberness is from the Latin expression '*Sobrius*' that takes its root idea from '*not being drunk*' being '*clear headed*' or being '*serious*'. These describe the state of any believer in Christ called to watch and be sober.

A lot of believers are too fleshy amused, ginged or entertained for the time we find ourselves in. This is an alarm point and the one way to know and sense what it ahead of time is to be sober. Soberness is a lens through which you can sense the hour.

To be sober means you need to clear your head. If so, many things are clouding your mind like worries of this life or uncertainty, you are not sober and may not be able to keep watch.

You should be much concerned rather about reaching more people with the Gospel. If you are too overexcited in the flesh you may not also be able to anticipate or see. One of the emotional gauges given to us is seriousness if we must keep watch. Seriousness goes hand in hand with watching. And finally, we cannot be drunk with the passing pleasures of this world. This sets you apart from a mere believer to a soldier believer.

Proclamation

My mind is free from the concerns of this world. I receive a clear conscience to watch over this world. Because of my sobriety, nothing will ever go wrong under my jurisdiction.

Amen

THE AWAKE WATCHER

...Awake, O sleeper, rise up from the dead, and Christ will give you light.”

1 John
2:27 NKJV

Another aspect of keeping the watch that we will learn is to be awake. I think this is a very familiar language if you have been closely following our mandate. But it is in no wise a cliché. You should look to practice all we are sharing. Can you set a time table for this now already?

You need to be an awake watcher. To be awake is to always be full of life and activity doing the work. It is not always an easy phenomenon but when done with the spiritual implications at heart and the ministry of the Holy Spirit, it becomes an easy reality. Did you ever meet some watchmen who slept at their post? I have met so many of them. But to be effectively keeping

your watch as Jesus admonished, we must be awake from sleep. This sleep is not necessarily about physical sleep but the spiritual slumber, the spiritual *'taking a break a bit'* or *'taking time off a bit'* those are the signs of sleep.

To be wake means to be activity-filled and ready for the Lord's return. It includes preparing men by reaching out, it includes being active in prayer and intercession and being attentive to the ministry of the Holy Spirit in your life. Write these things down and ensure you add them to your life. That is what growth is truly about; adding something to your life. Hallelujah

Proclamation

By the Spirit, I am awake, full of life and activity. By the grace of God, my spiritual eyes are wide open to keep the world in check. Thank You Lord for this opportunity.

THE ALERT WATCHER

And since you don't know when that time will come, be on guard! Stay alert!..

Mark
13:33 NLT

Finally in our watcher line of thoughts, we look at being alert. Being alert means to be smart and quick. It speaks of the quickness of a watcher who is smart to avert disaster. The major aspect of this quickness is discernment.

I call discernment the ability to sight or smell many distances afar off. Whether it is the discernment of time or occurrence, one of the important developments of your Spirit should be geared towards alert mindedness. You should not be caught off guard and you should be self-aware.

Every true soldier is self-aware. While they walk whether in uniform, or not, they try to scale their environment of any enemy sights or smell. Our own enemy here, the devil is often counted, for his '*slippery nature*' of '*time*' and '*the times*'. As the enemy of time, it simply refers to how he is responsible for the quick, zap speed of time we lose in preparing ourselves for the onslaught of the hour. If you aren't alert, he will make you loose time.

In terms of he being an enemy of '*the times*'; they mean his onslaught of the hour. To be alert means we don't loose time and we aren't overcome by the times. To be alert means you are sharply discerning, ensuring that the winds are under your wings, with you controlling the tides and not the other way round. Being alert is continuously dependent on you sharpening your Spirit. By prayer, worship and meditation means you are very institutive to the times. Don't be a passive watcher be alert and sharpened.

Prayer

My world is under my discerning point of view. Nothing escapes me in the name of Jesus. My senses are newly

sharpened every time to make out the enemy's attempts to outsmart the age and overcome them.

BEYOND THE EARTH

For we are not fighting against flesh-and-blood enemies, but against evil rulers and authorities of the unseen world, against mighty powers in this dark world, and against evil spirits in the heavenly places

Genesis
1:28 NKJV

Why is a subject like this important? Why should we know about things that have to do with a realm we don't live in? Why must we be concerned about things beyond the earth when we are in the earth? These maybe interesting questions, but they pretty much sound the same as asking why as citizens, we should be concerned about the decision making of our governments when we live in our homes and not in parliament. Obviously, the governments make decisions that affect us.

In the same manner decisions or activities made beyond the earth affect the way we live in the earth. In the scriptures we are drawn to the awareness of various active bodies that affect the welfare of people on earth. Their names are listed as principalities, powers, rulers of darkness in heavenly places and so forth. These assume the places of governmental rulers whose decisions or activity may affect life on earth. They are evil rulers and only started to control the cosmic earth after Adam obeyed satan, rebelling along with the enemy in taking from the tree.

They are like governors of the spaces beyond the earth. But in Christ Hallelujah!! You are above them and if you don't exercise your authority daily and I mean daily, you will be subject to them instead of bringing them under subjection.

Proclamation

I refuse to be subject to the principalities and powers of this world. Rather, I make use of my authority in Christ and usurp any negative influence. Yes, I take charge of this world and beyond by praying today. Hallelujah

THE MINISTRY OF DESIRE AND CALLING

...looking for and hastening the coming of
the day of God...Nevertheless we,
according to His promise, look for new
heavens and a new earth in which
righteousness dwells

2 Peter 3:12
&13 NKJV

So many believers have not been taught one of the most important ministries of desire that has been given to the church. We are to call for the Kingdom of God as a result of desire. Even though we have received the Kingdom into our hearts, the purpose is for us to desire so much of it that its physical appearance on earth is hastened sooner.

In the verse above, we see that we can hasten unto the coming of the Lord. When you further see, there is also more to do than just hastening onto the coming of the Lord, the disciples of the

Lord Jesus Christ desired a world that was outside of this one. It was a world in which righteousness dwells.

Therefore, for that world to come, we must build a momentum with our desire. We must desire more of the kingdom of God and its complete appearing here on earth. We can achieve this by desiring more of the coming of the Lord that will cause a cosmic shift and raise the world into God's perfect age. We must lighten up the world with our desire so we might preserve the world with our desire of a civilization greater than this. As many as receive these words and put to work these realities, then will we have so many Christians around the world who will practice this desire.

This may sound like a supernatural teaching, but that desire is a basic love reality rising in your heart. You have the ability to turn it loose. So, turn yours loose now today. Spend time to pray after you have read this, and many others who read this and whom we reach out to will be informed with these realities and do the same. Let's reach them with the Lord Jesus Christ.

Proclamation

Dear Lord, my desires are stayed on You and Your Kingdom. My desire is joining that of many others to call forth and bring in Your Kingdom and civilization right here on earth; hallelujah

THE ERROR OF THE WICKED

You therefore, beloved, since you know this beforehand, beware lest you also fall from your own steadfastness, being led away with the error of the wicked

**2 Peter
3:17 NKJV**

There is such a thing as the error of the wicked. Many a time, there are believers who make do with the error of the wicked, either by practice or by being present witnessing evil, seeing it all, and ignoring it. The scriptures say that for us to maintain our secure position in our salvation in Christ and the ways of God, we need to be on guard so that we are not led away by the error of the wicked.

The wicked here is also translated the lawless. Lawless people are those who are not able to live by spiritual instructions. Rather, you have been cultured to able to live by spiritual truth. Their hearts have been conformed in such a way that it makes

it impossible for them to listen out virtue and nobility, even if they may be aware. That is why for such people, it is important that they receive the ministry of the Holy Spirit, not just the person of the Holy Spirit, but His ministry, because it is the Holy Spirit that can enlighten their hearts and help them away from the error of the wickedness.

But for you that has been enlightened in Christ and have received of the Holy Spirit, there is a way you must be on guard by sticking to your enlightenment of truth, being convinced that you are not turned in any way. The error of the wicked is to believe what they believe or to think like they think. This is why the scriptures admonish us that we must be very careful of the error that they walk in. We should not walk in such error. To be in error means to be in complete disconnection with truth and perfection.

I believe that these words are important to you and that you will meditate on them. When you see people make the wrong decisions, don't play party to it, even if you decide to be quiet about it. Refuse to encourage it and speak against it as a child of God. Resist from it, and disconnect from it, have nothing to do with the error of the wicked.

Proclamation

I have nothing to do with the error of the wicked. I walk in truth and in the power of influencing for the truth. I remained disciplined and grounded in truth. Hallelujah!

And wherever the river goes, every living creature that swarms will live, and there will be very many fish. For this water goes there, that the waters of the sea may become fresh; so everything will live where the river goes

**Ezekiel
47:9 ESV**

For a while now the Lord has been talking about those dead fishes amongst the harvest. There are different kinds of fishers, some fishermen the others fishers of men. The fishermen bring forth fish to feed on them, they fish to consume them, but the fishers of men fish to give life.

Unfortunately, while we fish for men many have become dead fish in the house of God. They could be dead fish for several reasons; for some, they are simply neglected from spiritual infancy and support, some neglected in their growing phase and others simply an oversight of responsibility. Some saved

brethren are being infiltrated from the outside by worldly influences hence becoming dead fish. These are the fish who swim their way outside the waters. Other times the fish die because no water flows through the temple, they wag their tail and gasp for breath with no water to receive.

The Lord is walking amongst the church to send the water of the anointing to spring to life every dead fish again. The water will only flow from the bellies and the bellows of believers, issuing into the temple where in reality every dead thing will quicken to life again. This water is a river of revival and awakening. You need to check the last soul you won, are they dead fish now? Even if they were dead, you can issue out the water by prayer into their lives

Proclamation

I am a fisher of men! Not only do I fish men, I transcend to a higher level of sustaining the souls I fish. I will see results as I nurture them into the fullness of God's Word. I declare that there will be no dead fish in my hands. Every one of them gravitate to me today even more alive and the very ones I have ever reached out to respond to me from today. (Speak in tongues some more)

GOD'S BELOVED

And he said unto me, O Daniel, a man greatly beloved...God testified concerning him: 'I have found David son of Jesse, a man after my own heart

**Daniel 10:11 KJV,
Acts 13:22 NIV**

As we gradually come to the end of the age, it is very worthy that you live everyday as God's beloved. Daniel was known as God's beloved and David- a man after His heart. There is a devotion that those called the beloved of the Lord have towards Him; to them, the Lord is also their beloved.

To the beloved of the Lord, their visits to the Lord in intimacy is a routine of life. Many times, the Lord reveals to His beloved the hand surety of confirmation, that is, when you honor God to His delight, He confirms back to you His acceptance. Just

like with Abel or with Jacob's father's blessings, God often gives us a hand of approval for the faithful.

The beloved of the Lord moves the heart of God by the strength of His giving to the cause of God. God loves a cheerful giver whose heart is in His giving (See 2 Corinthians 9:7). David was moved to often give for the causes of Jehovah for His heart was in His giving.

The beloved of the Lord is also a priest unto God, one who stands for God before men and stands for men extending God's mercies to them. It's a simple life, a simple devotion but a heart set on God. Yet the risk for every beloved of the Lord, must guard against the complacency after his approval. A lot of times the measurement of your commitment should be based on your standards of proving God over the years and not by what others are failing at doing.

Proclamation

Lord You are my beloved and the beauty of my heart's song. I cherish You boast in Your love for me and I honor You with all its beauty.

AWAY FOR TOO LONG

Tell me, my love, where are you leading your flock today? Where will you rest your sheep at noon? For why should I wander like a prostitute among your friends and their flocks?...

**Songs of
Solomon 1:7NLT**

The verse above describes the heart of the woman who longed for her beloved. She wanted to know where he feeds his flock so that she could be there. And she didn't want to wander like a prostitute.

When we too establish our love fellowship and receive God's nod approval, we must guard against being complacent and wander around like the prostitute. After sowing seeds of prayer and worship to God; after seeds of intimacy that build your confidence, some of God's beloved get over confident in their works.

Some of God's beloved ones have gone away for so long without fellowship. They have stayed away leaving it up to the memory of their old devotion of the faith. Nothing is built up on their devotion significantly for a long time. They leave their beloved God with the clear memories of the past. They don't necessarily backslide, they are just so busy now with many things that they stay away for just too long. Even God is still confident in them, He wants their consistency to give them the reward of their glory.

There is always so much to attain that is why you should never stop. Sadly, some never get to receive the highest and final rewards, even when they know God has so much for them. You have to be quick to discern that you should never be so long away from the Lord, for He is still waiting for the final times are here now.

Prayer

I will leave and abandon any opportunity to pour out my Love and Heart to You. You are my devotion and I live to honor You.

THE GRATITUDE OF THE BELOVED

**Give thanks to the LORD, for He is
good; His loving devotion endures
forever.**

**Psalm
107:1 BSB**

The spirit of gratitude is one of the most important virtues that we must commit to if we have to avoid being complacent. It is a virtue that sends us back to a place of fellowship with the Lord in spite of our multiple successes and the hand of His approval. Gratitude is not only for what God has done for you, it also revolves around the fact that you do not take the honor that God has given you in His presence for granted, it shows you do not take His nod of approval for granted.

When you read the scriptures, there were some interesting personalities who dedicated their time to stay in fellowship with

the Lord to express gratitude, to them gratitude always brings them back. One of them was Mary, whom the Bible described that she spent her time at the presence of the Lord while He taught, even though she could have also been at the kitchen making food with her sister Martha. But Jesus said she chose the most important and the most worthy of all things because she was with a heart of gratitude.

The woman with the alabaster, even though the Lord Jesus had accepted her after all her wrong deeds and sins in the past, she showed the strength of her gratitude by giving Jesus the most purest of her gifts, her perfume, and she was stuck at his feet showing gratitude. Oftentimes, the spirit of gratitude is what always brings us back to that place of fellowship and intimacy with God where our love for Him was first kindled and never dies, it is where our love for him never dwindles, and thus we never stay away for too long.

Prayer

Thank You Lord for always thinking about Me, for offering Your love for me and all Your precious gifts to me as Your very own. I bless You for putting me first as though I was Your only one. Hallelujah

IN THE TWINKLING OF THE EYE

...in a moment, in the twinkling of an eye,
at the last trumpet. For the trumpet will
sound, and the dead will be raised
imperishable, and we shall be changed....

1 Corinthians
15:52 ESV

Paul the Apostle describes the end of this age, that it will be first of all symbolized in the twinkling of an eye. This speaks of the sudden change that will take place when everything moves from being normal and begins to take the shape of what is eternal. As you are in your fellowship with God, and as you carry out your duties, serving the Lord as His beloved, we need to stick to the task with all our hearts in it because everything will end in the twinkling of an eye.

As much as you say peace and safety, as much as you think there is more time, everything will just blank out and in the space of a second, the things that you knew about hearing of

His return would have happened. The things that you knew you would hear about His kingdom, will now have taken place. Maybe you might not have been ready. It's time for you to reconnect as though every day was the last and treating every day as if it were the last. In the twinkling of an eye, all things will change.

Don't stay in the place of peace and safety of this world. Don't stay in the place of excitement. Such is not the quietness of His rest. Such is the quietness of complacency. In the twinkling of an eye, everything that we know will be changed into what we knew will happen and is here.

Proclamation

I don't stay in the peace and quiet of this world. I stay awakened by the urgency of the twinkling moment in time. I am alert with my heart seeking for You.

ACT Don't stay in the place of peace and safety of this world. Don't stay in the place of excitement.

WHAT'S YOUR RESOLVE?.....

WHEN IT FINALLY COMES

In a moment, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, and the dead will be raised imperishable, and we shall be changed....

**1 Corinthians
15:52 ESV**

What the Bible has promised will take place at the end of the age is that if we are not prepared, many things will take us by shock. It will be as if we had everything under control, and it will be like one fine day, with all our daily routines planned out, and all our daily routines set out.

And then within a moment, there will be a great change. And all the things that we personally knew were going to happen will take place. As a believer, you have been informed, but question whether you are you living every day in the light of it? If we can live every day in the light of this eternity that's before us, then it's possible that such a life will bring us closer to the

supernatural. It is not a life of worry, rather fulfillment, it's a life of total rest and of peace. You've got to live a life knowing that we are preparing for the days that are ahead.

He didn't call us to live passively. He called us to live actively and presently, so that we can be alive in the day that is coming. Do not let it take you by surprise. Remember, you are ministering to God, ministering for God, fellowshiping with God, all in preparation for the times that are ahead. Don't let the time come as a shock to you. Let it come as a day you are living in and expecting.

Prayer Instructions

Pray fervidly today meditating on the days ahead of us as the church. Stir up yourself to keep burning with expectation.

IT COULD BE HERE

Alas for the day! For the day of the LORD is near, and as destruction from the Almighty it comes

Joel
1:5 ESV

Did you ever have something happen that made you feel like you *'knew it was coming'*? Sometimes, something happens and you exclaim, *'I saw this coming'*. Do you sometimes get some promptings on the inside of things that have been spoken about in the scriptures about to take place? Things like the rapture of the church, and the coming age are our notable reality.

Are they to you just mere speakings, or your heart is really throbbing? We must not even get carried away by the present passing world, but the eternal value of our ministry here on earth. Everything must really count if we are really taking into consideration the days that maybe ahead of us. What we are

doing now and here today should have eternal significance, so do well not to waste the opportunities given you.

Your ministry to the Lord, your soul winning, your follow-up, and your reaching out, all of those things must be done in the light of its eternal value. If you can see what is coming then it will be wise now to live in that day by faith. Love circumspectly so that you will not be shocked.

Even now, the Spirit of God is prompting people, touching their hearts and preparing them for the days that are ahead, touching them and preparing them for the moments that are ahead. Everyone is getting a sign. Everyone is getting a prompting. You know it, so know it even more as it's comes. Don't know it and regret later. Know it as it's coming and it could be here.

Prayer Instruction

1. Pray that there will be leadings in Your Spirit about living wisely and circumspect in the evil times
2. Pray declaring also that you prepare all things as a servant fit for His master's use.

WATCH OUT FOR THE SIGNS

**But the end of all things is at hand;
therefore be serious and watchful in
your prayers**

**1 Peter
4:7KJV**

Humanity is so used to trends, we get so used to our daily schedules, and we get so used to the busy demands and the things that get our attention the most are all the passing things, that we begin to ignore the signs that God has placed in our hearts.

God has put in the hearts of many believers signs of the times. He's speaking through signs of the end of time. This is not to scare us, but to prepare us. We're not going to live in eternity without being prepared for it. We're not going to be living in another spiritual realm without being prepared for it.

We must be mindful that we are not to be ignoring the signs, the indicators, the pointings, that are now with us. Some

believers may not think this way, because they are merely very passive, religious and theoretical in their thinking, for such we must pray. But there are things that God is speaking to us about that we must heed, and if you will separate time to look inside you, you will see the signs and you will feel them.

Sometimes when you notice there are promptings that you should pray more, it is God seeking to show you signs. Sometimes there are promptings that there's so much work to do, and you have to respond immediately to the Lord in prayer.

Don't ignore the signs. You may end up ignoring these the signs by postponing the things you have to do. You ignore the signs by reducing the intensity of how much target you have to hit it. Make up your mind not to ignore the signs, for they are already here.

Prayer Instructions

1. Pray declaring watchfulness. Declare that you are inspired to keep your eyes keen on the signs
2. Pray against any slothful distractions and false steps that may slow you down or cause you to slumber.

ACT

Don't ignore the signs. You may end up ignoring these the signs by postponing the things you have to do.

A FINAL EFFORT

...let us strip off every weight that slows us down, especially the sin that so easily trips us up. And let us run with endurance the race God has set before us

**Hebrews
12:1 NLT**

Clearly, the future is here. Humanity is hanging on a tiny thread of time. We cannot resound in fear, but in great anticipation, and there's one man out there, a woman, young boy or girl out there, that has hear the message to be saved?

There are still prayers to be offered, one prayer that has to be offered for the helpless, or the lost. There's one more salvation account that has to be given, and there is that poor and needy to lift. Can we see it? Can we see how close the time is? Can our hearts see what is ahead.

We should start living in the final hours by taking advantage of the opportunity to make eternal impact. Say to yourself that ***'I choose to live in the convictions of the final hours'***. You have to refuse to be complacent about it.

This is the time you have to prayerfully pray, pray yourself into the hour. Pray yourself into the moment, pray yourself into fulfilling all that God is counting on you for, because it could be here. It could be now.

Proclamation

I declare in the name of the Lord Jesus, that every limitation that slows me down or limits my faith, I strip off by faith and I complete the race that God is counting on me for. I throw in my last effort for what truly counts the most. I remain set for this time.

ACT Pray yourself into the moment, pray yourself into fulfilling all that God is counting on you for, because it could be here. It could be now.

TROPHIES ARE IMMORTALITY

All athletes are disciplined in their training. They do it to win a prize that will fade away, but we do it for an eternal prize

1Corinthians
9:25 NLT

Trophies are symbols that demonstrate the victory one achieves in a competition or sport. Typically, when we examine trophies, we find they are inscribed to preserve a legacy and the names of winners, whether from wrestling, boxing, football, or basketball, are etched onto the trophy, serving as a lasting reminder of their achievement and immortalization. This is done to inspire future generations, to fuel the passion for the sport and keep its cycle.

These earthly trophies, however, are mere shadows of the real prize. As Apostle Paul reveals to us above, we are to contend in the Christian faith as if obtaining a prize, because we truly are (1 Corinthians 9:24-27). The legacy we earn in eternity far

surpasses any earthly recognition. Just as trophies immortalize the names of winners, our perseverance in faith immortalizes an eternal legacy that proves our devotion to the Lord.

Apostle Paul understood this, declaring, "*I have fought the good fight*" (2 Timothy 4:7). We too must fight as if obtaining a prize, we must be inspired by the legacy that awaits us. This is not a legacy of earthly fame, but a reality that testifies to our unwavering loyalty to the King, so that we obtain imperishable crown that lasts forever.

Prayer

Dear Lord, You are the One who awards the prize to those who persevere, and I am Your athlete, running the race with endurance. Thank You for helping fix my eyes on the ultimate trophy, Jesus Christ, and to fight the good fight of faith. May my devotion to You be evident in my actions, my words, and my thoughts. May our legacy be one of unwavering loyalty to You.

ACT

We too must fight as if obtaining a prize, we must be inspired by the legacy that awaits us.

GOD'S HIDDEN WISDOM

**It is the glory of God to conceal things,
but the glory of kings is to search
things out**

**Proverbs
25:2 ESV**

One of the most important lessons that we must learn about God's dealings with any of His people is found in the verse above. So, God does not necessarily hide things from us, He hides things for us. He hides things for those who are diligent seekers who will find out His plan and purposes.

He actually hides things from the world because there is a way that when the world sees the wisdom of God, they make light of it, but the wisdom of this world is foolishness to God. (1Corinthians 1:20). So therefore, God preserves His glory in the most unseen things, and those who have wisdom by the spirit are they who seek it.

When you look at several portions of the scriptures you will find that for instance Apostle Paul spoke about how that the kings and princes of this world crucified Jesus Christ thinking that it was wisdom, but they did not know God's mystery of wisdom, because if they had known it they would not have crucified Jesus Christ.

They thought crucifying Jesus Christ was going to end his ministry, but did you know it was going to extend his ministry beyond the earth? Prior Jesus was ministering only on earth but the ultimate victory meant that he had to go into hell conquer satan and bring the victory to the church and deliver humanity as seen in Hebrews 2:14-15.

Instead of them to have known this wisdom they thought killing Him meant that they ended His ministry. But killing him gave Him the access to the gateway to hell which is death then He conquered hell and death and gave the victory over to the church.

Now this is so important for you to understand that God has a hidden mystery that He's given to us in Christ. We find that Apostle Paul talks about this in Colossians 1:27 that the mystery is Christ living in us and manifesting himself in us as

the hope of glory. This is important for you to know that you must pray for God to grant you all the necessary spiritual wisdom and understanding.

Prayer Instructions

1. You are going to pray that the eyes of your understanding are enlightened so that you may know what is the hope of the calling of Christ.
2. That you would receive the spirit of wisdom and revelation in the knowledge of Him and walk in the light of what He has destined for you in His hidden wisdom.
