YOU ARE COMPLETE IN HIM

And ye are complete in him, which is the head of all principality and power.

**Colossians
2:10 KJV**

It is very important you understand the work of the Spirit of God in your life when you became born again. The reason is that many believers fall short of the knowledge of their inheritance in Christ, and as a result of that, are not able to function in the highest level of faith to influence the world.

But you need to know that you are complete in Christ. That is exactly what the verse says. In the last days, when you understand the reality of your completeness in Christ, you will not be a victim to the system of this world. In Christ, you are not trying to add anything to your life. You are only realizing what has been given to you in Christ.

Everything you ever require for life, God has placed in your spirit. And that seed that has been planted in your spirit is the seed of faith. By faith you can realize everything that God has given you. For instance, a little girl, as little as she may be, two or three years, has the potential of being a mother. There is a womb in her that is unseen, that has to be nurtured and come to fruition.

This is the same approach to your faith life. Everything that you require is inside you and completed. All you need to do is to come to that realization through knowledge, and the speaking and declaration of God's word into manifestation

Proclamation

- I am complete in Christ. I have no need for any addition in my life.
- All has been added in Christ.
- I am only realizing what God has done for me.

(Speak in tongues with this mindset for the next 7 mins)

WHAT'S YOUR RESOLVE?.....

REALIZING YOUR COMPLETION IN HIM

God [in His eternal plan] chose to make known to them how great for the Gentiles are the riches of the glory of this mystery, which is Christ in and among you, the hope and guarantee of [realizing the] glory.

**Colossians
1:27AMP**

To be complete means to be full, to be added unto the brim, having no extra need or lack. This gives a background reference to what I learned some years ago about how when a cargo ship is packed, it has a designated amount of containers or load it must carry. And they fix the load so perfectly that not a single ounce is left out; there is the maximum load beyond which nothing should be added.

In the same manner, as a believer, you have a certain kind of completion — like a loaded ship — where every virtue, glory, splendor, and beauty of God is added to your spirit, not leaving one ounce. You are filled with the maximum load of God.

There is not a single thing that you can lack if you remain conscious of what you are. What you need is to see your completeness through the eyes of faith. Your faith must be complete in order to walk in this kind of completion.

Which is why in the verse above we realise that the weight of glory that we can experience is when we know the benefit of Christ is in us. It is a reality that we must come to realise. The verse above calls it the "**hope of realising glory**", it is about the hope of finding out what you already have in Christ. You can only do this through the knowledge of God's word.

Proclamation

I have all things in Christ. I have no ounce left in the weight of glory in my spirit. I remain conscious of this reality and truth. I live the way God requires of me.

WHAT'S YOUR RESOLVE?.....

.....

HAVING NO NEED

And God is able to make all grace (every favor and earthly blessing) come to you in abundance, so that you may always and under all circumstances and whatever the need be self-sufficient [possessing enough to require no aid or support and furnished in abundance for every good work and charitable donation]

2 Corinthians
9:8 AMPC

I love the beautiful phrase that says in the scripture above as it reads; “**possessing enough to require no aid or support**”. Now this doesn’t suggest that we don’t need anyone to help us. But it means we are not victims who need someone to help before we can be delivered.

The help that we have is part of the whole package of our blessing and salvation. Whether the help is coming from people, materials, or resources — it means that when we

require help, help will come. We will not be at a point where we cannot get help. We will not need to beg for it, ask for it, or struggle to look for it. This is who you are in Christ.

God has destined for you to have all the help that you require for every situation. And like we've shared over the last few days: You don't need to see it first before you believe it. You need to first believe it, so that everything programmed according to God's word begins to happen in your life. God's word is programmed by your faith activity.

You can live in that wiring and programming process — having all your needs met because of God's provision. You don't have to be in a place where you are helpless. So prioritize your blessing in Christ by using your faith. Because when you hear God's word, your faith causes you to believe and call it forth.

Therefore, if you need any help, if you require anything, you just need to call it forth. You don't need to struggle before it happens. You can cause things to happen by the wiring and programming of God's word. And as you do, you'll be surprised that God has already destined everything to work in the right direction for you.

Proclamation

I don't live in a place of disadvantage, but in a place of advantage. Because God has programmed everything to work for me; all the people, the materials, the resources, the personalities — are all connected to my perfect well-being. I am made perfect because I have no need to be a victim.

WEALTH FOR INFLUENCE

Cry out again, Thus says the LORD of hosts: My cities shall again overflow with prosperity, and the LORD will again comfort Zion and again choose Jerusalem

Zechariah
1:17 ESV

The scripture reveals that God desires amongst His people an over flow of prosperity. Also it is through “**knowledge and wisdom that there will be the stability of our times**”. (See Isaiah 33:6)

I believe that it also means we will have stability in our times by the revelation of the wisdom in us. Even when everyone struggles, we will find stability and a strong ground if we understand God's plan for our overflowing wealth

The nature of the world's system will require the wisdom from believers. And one of the systems we're discussing is

the economic system in our world. The Bible has shown clearly that God's desire is for His children to be made wealthy and influential. The reason for wealth is for influence. And blessing of wealth is only the by-product of God's spiritual blessings in us. You need to walk in this truth.

We are blessed spiritually first. And that spiritual blessing doesn't speak of material things, it speaks of our inheritance as children of God. Because God is the Monarch of the entire universe, every strand of its resource, treasures, beauty, and splendor are things that we already inherit by being His children.

Now the physical blessings that we see, which people may term as riches, are only the by-product of what we really have in our spirit. Which is why it's important for you to understand that God places us in a place of wealth or financial increase for the purpose of His kingdom and extending its ambit in the earth — basically ruling in His name. And we cannot rule in poverty. You need to understand this so that you can walk in God's divine provision for these times.

Prayer Instruction

1. Meditate and pray in tongues declaring that you are positioned as God's ruler in wealth to influence for His kingdom. Spend time to think about that.
2. Secondly, meditate in prayer and declare that every avenue that causes wealth will come to you. Not because you want to increase your well-being, but because you want to be a great influence for the kingdom. And God will give you a golden mind.

DELIVERED FROM FINANCIAL SLAVERY

**Do not wear yourself out to get rich; be
wise enough to restrain yourself.**

**Proverbs
23:4 BSB**

Understanding what I shared with you yesterday is very important to our further discussion today. In the days of Abraham and some of the patriarchs of faith, their understanding of finances was quite different from what we have today.

They were dealing in physical things like cattle and so many other assets. Currency had not evolved so much at that time into what we have today.

And today, even though there are assets, they have been purely limited to financial currency. And there's wisdom to it as well. In 2 Corinthians 4:4 we see that Satan is called

the **“god of this world”**. And as much as he is the god of the system of this world, he tries to lord and express himself even through the economic system. And his goal, is to trap God's people in a cycle and web of slavery to the economic system — so that they keep chasing after money in the economic system to meet their own needs as though they were deadlines. This is to get all and sundry weighed down with financial burdens as they wear themselves out to make more money.

This strive is something that has been accepted, but that's not God's plan for His children. We don't need to strive. God doesn't want us to be stuck in the economic system or to be slaves in it. Of course, the wisdom of God guides us to work and to earn, but not to work to be slaves. Which is why it's important for you to understand that God has principles of finance so that we can follow those principles and work in those principles.

By working those principles, we can deliver ourselves from the limitations of the economic cycles of this world. And that's something that we must all determine to do.

Prayer Proclamation

I declare in faith and wisdom’s fullness that I will not be a slave to this economic cycle. I deliver my mind from the weariness it comes with. I am delivered unto perfection and stability in God's abundance.

WHAT’S YOUR RESOLVE?.....

DELIVERANCE BY FINANCIAL SAVING

**Dishonest money dwindles away, but
whoever gathers money little by little
makes it grow.**

**Proverbs
13:11**

One of the most important ways to deliver yourself from slavery to this strive is by saving your money. It is an application of financial wisdom. Sometimes people are easily moved to purchase things they didn't even plan — impulse buying — it is one of the most-easiest traps to loose a grip of your wealth building capacity.

When you buy things based on impulse or when you make orders online based on impulse, without thinking that you need to sometimes put some money by, you are already vulnerable to this world system. Because just as God wants us to be having faith for more finances, He also wants us to

learn the power of retaining finances through saving. In the scriptures (See Haggai 1:6) it says that people made a lot of money and put them in bags with holes in it. God leverages on our ability to retain money and save money and not loosing it through the holes in our purse or bags.

This is a spiritual statement. Saving means that you are a preserver. It means that you are accountable to God and that you can be entrusted with more. Rich people are not just those who gain money. They are people who know how to save money. They are rich because of their savings, not because of their gainings alone.

Prayer

Dear Lord, I thank you so much for your goodness and your provision in wealth. I take advantage of your blessings and I work in the wisdom of saving money. I'm not a careless spender, neither am I an impulse buyer. Your wisdom is at work in me.

THE BEST OPPORTUNITY YET

I thank Christ Jesus our Lord, who has given me strength to do his work. He considered me trustworthy and appointed me to serve him

**1 Timothy
1:12 NLT**

Just like Paul the Apostle in the verse above, we have been chosen by God for a grand awakening that is currently brewing on earth. More than the glory of what is to come is the recognition of the opportunity that we have. This is something that should get your attention.

Firstly we must recognize that we were chosen by God for a unique time. We must be grateful that we are also called and chosen to be given the opportunity to be faithful in the ministry of the Lord Jesus. Not many are this blessed to be a partaker of the eternal ministry of Christ. But we have that graciousness lavished on us.

Second, we must be thankful for the opportunity to change and contribute to the eternal history and story of the cause of Christ. There must be such reflections, that you stand exactly where the Apostles stood at one time, carrying the banner of the Lord Jesus Christ. We stand where they stood being in charge of the message and dispensations of Christ.

Third we must be grateful for the opportunity to be in charge of the souls of men that comes to the end of the age. All of humanity now gathers at the shores of the final sea of life and we get to cross them over to the end of all things. These sober reflections should fill your heart and mind. These are eternal truths and realities for our call.

Prayer Instruction

Spend 7 to 10 mins giving thanks for these three stated realities. For Each one of them state your gratefulness to the Lord

COUNT YOUR WORD PROGRESS

Meditate on these things; give yourself entirely to them, that your progress may be evident to all

**1 Timothy
4:15 NJKV**

God's word is an environment that we must live in because we are born from the word; the apostle Peter reveals;

“...having been born again, not of corruptible seed but incorruptible, through the word of God which lives and abides forever” (1 Peter 1:23)

Just as fish cannot live in any other environment either than in water — so do we live only in the word. We must be conscious of only the word. We must immerse our spirits in God's word.

And this is something that you must know: If you are not living by God's word, you will be living by another information. Just like the people of the world are so attached to the world, its worldliness, and its daily life, so must we be in the word on a daily basis.

You can track this progress by building your spirit progressively — counting on what you have learned and mastered over the word of God so far. The word of God talks about so many things. It talks about faith. Can you question your faith and ask: how much of God's word on faith have you listened to and positioned yourself in? How much of it have you attained? In the last days and the urgency of the Lord's return — how much do you have in your spirit with regards to aspects of God's word.

There are many other beautiful things about the reality of Jesus Christ, His kingdom in the scriptures — how many of these truths are in your spirit? You need to make a count of God's word today and its progress in your life.

Prayer Instruction

1. Write down the most important things that you know you have mastered in your faith. And then write down the ones you have not mastered in your faith.

2. Pray in the spirit to make an intentional decision today to read materials on the things you have not perfected.

3. And the third thing is that you are going to do it starting from today.

ADVANCING BY THE WORD

Practice these things, immerse yourself in them, so that all may see your progress.

1 Tim 4:15
ESV

Words play a huge part of life and faith. We live in the word and words are a wonderful miracle. In human life cycles, how do we communicate to people outside words? How do we know even the thoughts of other people if they cannot be given to us by words?

How does human engagements and relationships run except by words and language? How do these human existences really mean anything outside the confines of the knowledge of words and language?

The play of words in communication and human interaction on the earth is just so enormous. God is the

mystery behind choosing words — and He started communicating with the human race through words as a system set in place for every form of interaction.

As a child of God you are born by His word; you are preserved by it. And you have the due responsibility at this time to program yourself to advance by it. You need to make extreme faith progress with the word. Through meditating and studying, it can build you up and give you a massive inheritance. So you must be excited and conscious of a word kind of progress.

Like we discussed yesterday — make a word progress, do it for yourself and you progress and it can work for you in weeks and months, so you can arrive at God's perfect knowledge.

Proclamation

I work in the word today much, much more, with excitement of faith. The word is working in my life, causing me to advance, and causing me to shine and make progress for the Lord's sake.

TAKE THE LORD AS PERSONAL

The LORD replied to Moses, “I will indeed do what you have asked, for I look favorably on you, and I know you by name

Exodus
33:17 NLT

One of the most important confidences you can have is the confidence with the Lord. When you have confidence with the Lord, you are not concerned with what people say about you. This is what Moses had and so he could ask the Lord anything.

When you have confidence with the Lord, you only pay attention to what He says, differing human verdicts about you don't count at all. Your relationship with God should be so personal so that you don't live by earthly approvals or validations.

That gives you the conviction to do what God requires of you to do without any fear or retrogression. I quite

remember some years ago when I was in secondary school and I loved the Lord so much. But there were times I had to rush home, either quickly or briefly from a meeting, because of how my parents would expect me on time.

I had one of my mates who questioned my love for God because I couldn't stay long for some meetings. But I wasn't unsure of myself, I knew the kind of personal relationship I had with God. It was so personal and I knew He knew me by name. I had a plan and within a short time I was the one leading those meetings after our leader completed school.

It's important for you to know that God must be your greatest friend. And that friendship or relationship is built in fellowship. So take the Lord personal. Let Him become so personal to you that you know His mind concerning you at any time. All this should be so that you can live in grand fellowship with Him.

Proclamation

I love the Lord. He's my focus. He's my meditation. He's the beauty of my days and the thoughts of my life. I take advantage of this glorious truth in Jesus' name.

WHAT'S YOUR RESOLVE?.....

ACTIVE FOR THE LORD ALWAYS

Do not let your zeal subside; keep your spiritual fervor, serving the Lord

**Romans
12:11 BSB**

Once you take the Lord so personal that you cannot separate your inner love for Him from your spirit — it has become like one full mix — then it will result in you living actively for the Lord. If you find a Christian who is not able to live actively for the Lord, the problem is not his tiredness.

The problem is not his troubles. The problem is his love for the Lord. He hasn't come to know the Lord so much. But if you have come to know the Lord so much, that love is what energizes you. Even when you are tired, that love is

what gives you divine energy and strengthens you, it makes you active.

Love fuels you.

Love inspires you to pray.

Love inspires you for fellowship meetings.

Love inspires you for evangelism purposes.

A revelation of love is what makes this happen. You should spend some time today praying for your love and zeal for the Lord that will keep you active and burning.

Prayer Instruction

1. First, spend time to pray and declare that your love for the Lord fuels you and drives you in full activity of your faith for Him.
2. Secondly, declare that love is enduring and strong in all circumstances, making you vital and brilliant for the Lord.

LIVE OUT HIS LOVE

...and hope does not put us to shame,
because God's love has been poured into
our hearts through the Holy Spirit who has
been given to us

Romans
5:5 ESV

Love is one of the most powerful civilizations that surpasses human and supernatural understandings. Love does not take account of what people do or what they are like. Love rather moulds people into what they are supposed to be.

This is how God expects us to live in this world. The reason why God put love in our hearts as believers is because of how terrible the devil ravaged this world in his rebellion, and dragged the human race into it. The devil's plan is to destroy much of humanity and make them a natural weapon against God. The Lord already knows the attack

against humanity and also knows that by themselves, they cannot be delivered.

That is why God first sent His Son Jesus Christ in love to redeem those of us who have been saved from that destruction of the enemy. Now that we are born again and in Christ, in these last days we're supposed to be the extension of this love to deliver humanity out of bondage.

Thus love is the most powerful tool that we can use to live out His presence, and spread it to more of the human race in our world.

Prayer Instruction

Pray for the world of sinners. Pray for them that through the love of God in your heart you are given wisdom to liberate them from their sin, to liberate them from their evil.

AVENUES OF LOVE

**...and hope does not put us to shame,
because God's love has been poured into
our hearts through the Holy Spirit who has
been given to us.**

**Romans 5:5
ESV**

There are so many avenues for showing this kind of love from God to the human race. Think of the poor and the needy? Do you know that the love of God inside you that burns can bring you into contact with them, to deliver them from the destruction they live in, and from the bitterness they succumb to. Love has that power and capacity to overcome the spirit of poverty.

When you move in love in that capacity, sometimes even your finances can become energized by God with potency to deliver men from their bondages. Love is so important. Have you thought about the sick in the hospitals? Love can lead you there. Love has the capacity to liberate them from

those sicknesses, and to bring them from those demonic holds

Have you thought about the sinners out there who don't know what they do, even if they walk in delusion? Love can break the works of the enemy inside them too. That's why you have to live out the love of God in so many dimensions and facets. This will bring a lot of liberation as we come to the closure of the age.

Prayer Instruction

1. Pray that God will give you grace for all the necessary avenues to reach out to men — to reach out to the poor, to reach out to the sick, to reach out to the sinner. Ask the Lord to give it to you.
2. Make sure you write down things you are going to do and put them into action.

THE HYPOSTASIS OF YOUR LIFE

Now faith is the substance of things hoped for, the evidence of things not seen.

Hebrews
11:1 KJV

Hypostasis' is the Greek word for faith which actually means '**foundation**'. When you try to understand faith according to the scriptures, it is not only reserved for asking from God.

The verse above defines faith as '**the substance of things hoped for**'. So whatever is hoped for, faith gives it substance. That substance is the foundation on which what your hope is found upon. Faith gives foundation to what you hope for. It doesn't mean you have to get what you hope for.

It rather means you already have what you hope for. So you're not moved by physical outcomes. This is so

important to every Christian. We don't also have to limit faith to just what we need from God. Faith is a state, and that state is: all that is required for our life and all that we need to keep going.

Thus, we have faith which becomes the substance of what we eventually can hope for. And that whatever we hope for, it comes into existence because we already have the 'hypostasis' — the foundation to stand on. It's like a building; for whatever you hope to build on that structure, you need to have a foundation it will be built upon, otherwise, whatever you build will fall apart.

Proclamation

- I work in faith.
- I work in the fullness of it.
- I am not shaken by this world.
- I have the foundation and the receipt of faith in Jesus' mighty name.

WHAT'S YOUR RESOLVE?.....

.....

THE EVIDENCE OF HYPOSTASIS

Now faith is the substance of things hoped for, the evidence of things not seen.

**Hebrews
11:1 KJV**

I remember years ago on the subject of faith, we were being taught that if a man owned a land, and had to prove that his ownership, he would carry the land documents to wherever he was going to prove it. He did not need to carry the land, because he couldn't carry the land everywhere. He needed to take the documents to show that this land was in his name.

Those documents are like faith — giving substance to that land. Faith is the receipt to all we hope for. And that receipt means that we have everything we require for life, we have everything we will ever need. Every kind of success you need at any level of life — from your education to your job

— faith is that receipt that checks you into all physical realms of glory.

You don't need to worry about the success in at any point in life. You don't need to worry about the success in your job place nor worry about any kind of success. Because faith is that receipt, checked in your spirit. You need this faith in the last days to access every good thing that God has given to you and to influence the world. If you're going to influence the world so mightily, you've got to have the receipt of faith right in your spirit.

Proclamation

I have the receipt of faith for everything I hope for and desire. I have a living evidence of that which I desire. My evidence is my testimony and surety.

FAITH IS A HUGE LEAP

**He staggered not at the promise of God
through unbelief; but was strong in faith,
giving glory to God;**

**Romans
4:20 KJV**

Faith is a huge leap on the word of God. Your faith can stand sure on what the word of God says. The word of God is replete with supernatural reality, and everything that it says is something that we must be willing to trust in.

Faith is you taking an action based on what the word has said — not based on what your circumstances are telling you. In the verse above we see that Abraham staggered not at the promise of God through unbelief. He focused on God's word of promise to him. When the word of God says that you are complete, like we learned days ago, you are to respond to only the knowledge of completion that He has

granted you, and not the physical evidences of incompleteness.

If the word of God talks about your health and says to you that you are healed through the sacrifice of Jesus Christ — it doesn't matter what may be happening in your body. Your response should be based on God's word. Your mind should be on God's word.

And when you do that, you will see that your whole life — your body, your soul, your spirit — will start being reprogrammed according to the word of God. And then you can continue living in perpetual victory and increase.

Proclamation

I take a huge leap on God's word through faith, believing that the word of God is the foundation for my life. And my life is programmed according to this word to come to light and life.

WHAT'S YOUR RESOLVE?.....

QUESTIONS THAT HINDER YOUR FAITH: 'WHAT IF'

Just as you cannot understand the path of the wind or the mystery of a tiny baby growing in its mother's womb, so you cannot understand the activity of God, who does all things

Ecclesiastes
11:5 NLT

Faith doesn't live in the realm of questions. When you begin to question what God's word has said, then it already means that you are not living in faith. Faith doesn't question God's word. Faith doesn't ask how is it going to happen. Faith only says *'YES it's going to happen, because God said it will'*. That's about the only knowledge faith has.

Faith has to have one absolute knowledge line: What God said, what God is, and what God has promised and fulfilled.

Faith doesn't ask *'when will it happen, how will it happen, or by what means will it happen'*.

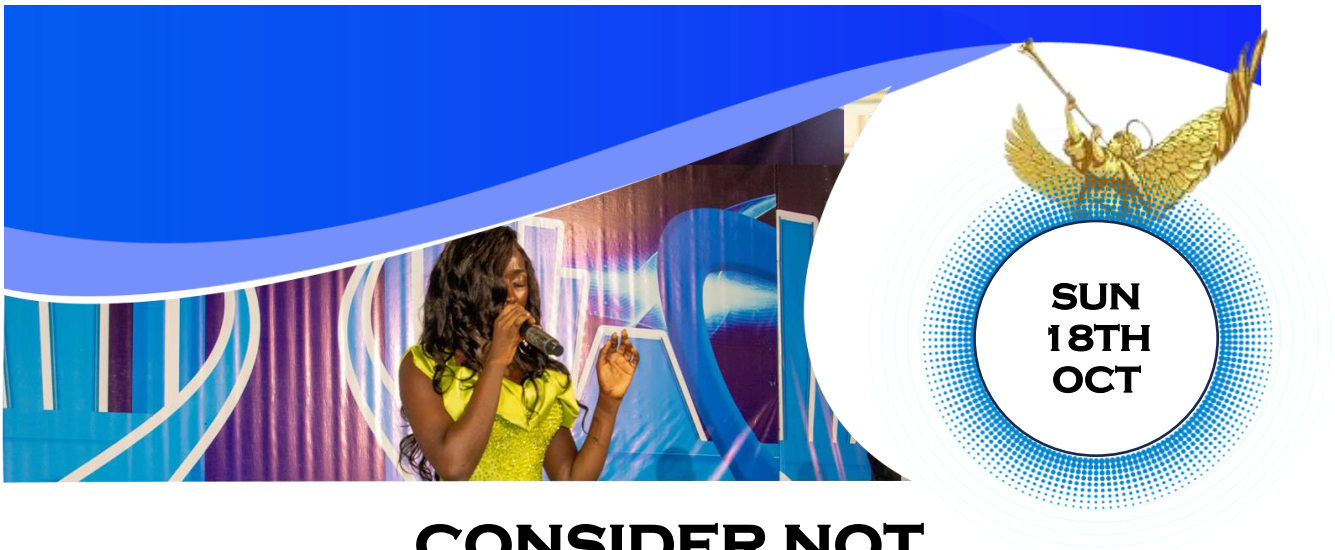

Faith only says to you what God's word says. The scriptures above reveal unique line of thoughts, since we cannot question any of the listed realities, so must we not question faith; every supernatural intervention lays within the parameters of God's activities. And faith doesn't question such.

So what are you supposed to do when you are in a situation where you require faith? You have to just keep saying what God's word has said. It is the fullness of what God's word has said that will spur you on to the fulfillment of what it has promised. It is the fullness — or as much as you can — remind yourself of what God's word has said, that your mind and spirit will be filled with that reality, and it will naturally spur you on to its fulfillment

Proclamation

I do not ask questions about my faith. Rather, I speak into being what God's word has said. I'm not inquiring about the 'how' of what God has said, or the *'what ifs'* of what God has said. I say what God has said. I live what God has said.

WHAT'S YOUR RESOLVE?.....

CONSIDER NOT

And not being weak in faith, he did not consider his own body, already dead (since he was about a hundred years old), and the deadness of Sarah's womb

**Romans
4:19 NKJV**

In the verse above we see that Abraham considered not his age or the deadness of Sarah's womb. This was because Abraham was yet to have a child of his own, because God had promised him a son — Isaac — who was yet to be born. Abraham had become an old man it was quite impossible for him to have a child at about 100 years old. And Sarah had been barren for years, that's why they never had a child prior.

God brought them a word that Sarah was going to conceive a child (See Genesis 18:10). And at that moment, instead of Abraham to wonder how that was going to happen —

first of all with his age, or the deadness of Sarah's womb — the Bible said he did not consider any of those clear evidences.

He did not consider the matter. Faith does not consider the condition. The condition may be evident, but it does not consider. To not consider a thing means you don't give it attention. You don't even consider its arguments or even consider its suggestions nor take it into recognition.

Faith does not recognize circumstances; it is a leap on God's word. From hence you are not going to consider the daunting circumstances that are inconsistent with the promise of God. This is what you have to do as a believer to walk in the fullness of faith.

Prayer Instruction

Speak in prayer and declare that you do not consider the things that have hindered your faith —

- The things that have hindered your finances
- Things that have hindered your growth in fellowship and soul ministry
- Things that have hindered anything that you have set yourself to do.

Rather, declare that you are considering only God's word and verdict.

WHAT'S YOUR RESOLVE?.....

.....

LET HIM ASK IN FAITH

But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed.

**James 1:5
KJV**

Today on the ending series on faith, what I want to share with you how to ask in faith without wavering. One of the reasons why many people are not able to receive anything from God is what He said in the verse above. It says we you should ask in faith, not wavering.

The word 'wavering' depicts the sea's waves — how they are tossed to and fro, not being stable. It is also in connection with the fact of the scripture we read a few days ago, that Abraham he did not stagger at the promise of God

through unbelief, but he was strong in faith (See Romans 4:20)

Faith has to be stable. You don't have to say something good today about your faith and something negative tomorrow. You don't have to sound quite certain today and then uncertain tomorrow.

Faith does not waver. Any man that wavers in his faith, will not be able to receive anything from God. But if you will not waver in your faith, you can receive so much from God. And receiving from God simply means taking advantage of what He has already said and done in the word. Thus if you have faith, you can lay hold on anything that God has done and said.

Prayer Instruction

Speak in tongues today and declare also that you are not wavering. Rather, declare you are stable in your faith, strong in your faith, able to give glory to God for the things He has made available to you.

HAVING GREAT FAITH

When Jesus heard it, He marveled, and said to those who followed, “Assuredly, I say to you, I have not found such great faith, not even in Israel!

**Matthew
8:10 NKJV**

There are different kinds of faith, and one of the most important ones is great faith. It was this kind of faith Jesus described about the man in the scripture above. I want to show you how this faith is attained. There are some Christians who don't have faith at all, so it's very hard for them to even believe God for anything. But you can build great faith.

Building great faith is very important. It means that you get to know the capacity of God and what He is able to do. When you read the scriptures you get to build great faith. When read for instance what God did with the children of Israel — and how He helped them fight strong battles, as

well as the wondrous things He brought in their midst, especially through the supernatural — you will begin to experience great faith.

When you read the miracles of Jesus and how He healed many people, you get to experience great faith. It's very important to have great faith, because great faith means that there is no measure to what you can see and do for the Lord. In these last days, God wants to do so great in your life. God wants to place you in a status where you can influence the world for Him.

And you need to have great faith in order to make this happen. On the flip side, to be ignorant of this will result in small faith. And you will not be able to do too many things with small faith. So build your great faith today by studying more of the scriptures in that reality context.

Proclamation

I walk in great faith through the knowledge of what God has done and His mighty works. I have great faith, and as a result of that, there is no limit to what I can do in this world.

WHAT'S YOUR RESOLVE?.....

.....

BUILDING STRONG FAITH

**...but was strong in faith, giving glory to
God**

**Romans 4:20
KJV**

Great faith alone is not enough. You have to have great and strong faith. This is why I shared yesterday that you may have small faith, but you need to have great faith and strong faith. Because there can be great faith and weak faith, and I'll explain to you the possibility.

Great faith is in the enormousness of what you see God can do. Strong faith means you can connect that same enormousness of what God can do that which perhaps you've read about to your life. That means you can convert the things you've seen and heard about God's mighty

power, and you personalize them in your life and in the end seeing clear results.

Whereas great faith is known by knowledge, '**strong faith is worked out**' by practice of faith. It's like a man who has a great body structure but does not have enough strength in him. It is only when he goes to the gym to work out or trains that he can build strong muscles and maximize his great structure.

So in the same manner, you may have great faith. But it's only when you learn to put your faith to work on little things that the faith is worked on and now begins to build strong muscles. And when you have strong faith, you can do anything. So great faith must go with strong faith. And strong faith must be built by using your faith to do things to build its capacity.

Proclamation

I build strong faith today by putting to work the reality of God in my heart. Strong faith is manifested as I do things that are consistent with the word.

THE SPIRIT OF THE LAST DAYS

'In the last days,' God says, 'I will pour out my Spirit upon all people

**Acts 2:17
NLT**

The Holy Spirit is the Spirit of the last days. He is the One who makes all truth manifest in all dispensations. The Bible describes this world as one that lies in the power of the enemy, who is referred to as the wicked one; We know that we are from God, and the whole world lies in the power of the evil one. (1 John 5:19)

Further, we see that the enemy's plan has been to deceive men from seeing the light of God's grace on them (2 Corinthians 4:4) And this extends even to the kind of social order that we live in.

People are being blinded from seeing the true light of God's kingdom and civilization amongst men. The things that

people pursue in attaining the best social order for even mankind have been revealed as God's plan and purpose for us. And the devil seeks to always cause men to be blinded from it so that they can be in bondage. But the Holy Spirit is the Spirit of illumination. He brings light to everyone who embraces Him and brings illumination into their hearts.

You can benefit from the Holy Spirit as the Illuminator of the last days. He will bring light to you — and as He brings light to you and many others who are like you, this light will spread and touch the whole world.

Proclamation

I receive the ministry of the Holy Spirit in my life as the Spirit and Illuminator of the last days. As a result of this, I walk in perpetual increase and glory for His namesake.

WHAT'S YOUR RESOLVE?.....

THE ILLUMINATOR OF YOUR LIFE

When the Spirit of truth comes, he will guide you into all the truth, for he will not speak on his own authority, but whatever he hears he will speak, and he will declare to you the things that are to come

**John 16:13
ESV**

Just as we shared yesterday, the Holy Spirit presents a ministry of illumination to all who receive him. Illumination simply means that which gives understanding and meaning, as well as essence to life. The Holy Spirit is the One who brings meaning and essence to your personal life. He will give you wisdom for everything that you are involved in. He can give you the wisdom to navigate every path

He can give you the wisdom to navigate every aspect of your life. He's the One that brings truth and illumination to

everything that you do. And you can benefit from His ministry as you spend time praying in tongues and meditating on God's word. He throws light on your path because you need this kind of illumination in the last days.

For the benefit of your life, the Holy Spirit can bring meaning to every aspect of your life if you can live in His truth today.

Proclamation

I receive the illuminative ministry of the Holy Spirit in my life. Teaching me to do all things that pertain to all that I am involved in, to the benefit and the glory of what the Lord will continually complete in my life.

THE STRENGTHENER IN THE LAST DAYS

And I will ask the Father, and He will give you another Helper (Comforter, Advocate, Intercessor—Counselor, Strengtheners, Standby), to be with you forever—

**John 14:16
AMP**

One of the important characteristics of the Holy Spirit that we have in Scripture is that He is the Strengtheners. The Holy Spirit is our Strengtheners. Strengtheners means that He is able to give extra life, foundation, and support where it lacks. Jesus stated one of the most interesting things in the Scriptures: 'that men ought always to pray and not to faint' (Luke 18:1)

Even though our emphasis is not on prayer today, you have to understand that we are called 'not to faint' Not to faint also means: Not to lose spirit. Not to lose the strength of

your heart. Not to be in depression. Not to lose the stability of our countenance.

And this sometimes happens to a lot of Christians because the weariness of these last days. The Holy Spirit is the Spirit that comes to strengthen you right in a situation that should have weakened your countenance or broken you into pieces.

However, you have the responsibility to concentrate on the ministry of the Holy Spirit that causes you to be at an advantage over these circumstances. And you can only benefit from the strengthening of the Holy Spirit as you speak fervently in tongues. When you speak in tongues as much as possible, you strengthen your spirit and give it the ability to withstand the pressure that comes with fainting and failing in the encumbered age we are in today.

Prayer instruction

You're going to spend the next 10 to 15 minutes to speaking in tongues voraciously and declaring that you are strengthened by His Spirit in your inner man. To overpower any form of weariness or limitation in this age.

JOY IS A TOOL

**With joy you will draw water from the wells
of salvation.**

**Isaiah 12:3
ESV**

One of the things that we learnt yesterday about the Holy Spirit is His divine ability to 'strengthen our spirits' in the midst of troubling times. The reason for the troubling times on earth is to drown the spirits of a believers in the last days. In these days the Bible describes that believers will have their soul vexed in frustration.

That word 'vexed' means that their soul will be troubled and overturned, resulting in different forms of depression that will destroy the heart of men. And the devil knows that when people lose themselves in such things, he can grip their souls and keep them in bondage to his powers.

But 'joy' is one of the things that the Holy Spirit gives us. Joy itself is a tool. In the verse of the Bible we see that it is only through joy we can fetch and experience the glory of God from the wells of salvation. The word 'salvation' here is translated as every good thing that our union with Christ brought us — That includes our prosperity, our favor, every good thing that was given to us. Salvation has every good thing that you deserve in Christ.

And it is only through joy that you can access these blessings in the Holy Spirit. Because they are given to us through the Holy Spirit. It is only through joy that you can access the ministry of the Holy Spirit and through joy that you can open the borders of your spirit to receive the impartation of the Holy Spirit, without whom you cannot enjoy the benefits that are attached to our salvation.

It is with joy you can walk in health. It is with joy you can walk in victory. It is with joy you can overcome any obstacle. So keep your joy focus set and refuse to be settled for less.

Proclamation

- I walk in joy.
- It is the victory of my life.
- I walk in its fullness.
- I rejoice in the Lord always and take advantage of His blessings in my life.
- In Jesus' mighty name

ENCOURAGE YOUR ANGELS

Are they not all ministering spirits sent forth
to minister for those who will inherit
salvation?

Hebrews
1:14 NKJV

One of the things that I find unfortunate when it comes to Christians is that they are forgetful of what the word of God says. And as a result of that, they don't take advantage of the supernatural ministry that God has given to us.

First of all, **'God has divinely equipped the church with the ministry of angels'**. Angels were given for the purpose of assisting Christians to fulfill their mandates and being that supernatural power that backs any believer. Unfortunately, not many Christians have understood this ministry.

But in the verse above we see that they are called to be ministers for those of us who have inherited salvation. Angels are on assignment for you. You need to take into consideration the work of angels when you are making plans because they are alive and working for you. You need to take advantage of their ministry for you.

The second thing you need to do is to encourage their ministry. Angels have some divine intelligence. They are able to respond to divine heart desires. If you don't encourage your angels, you will not see their work in your life.

And you can do this by declaring God's word and believing God for miraculous turnovers and miraculous ministrations by angelic beings. Angels are spirits that are called to minister for you. So you must do your best to start encouraging their work. Start seeing their work. Start sending them forth and dispatching them in the name of the Lord.

And as you do it, you begin to see marvelous angelic ministry in your life. Some of the greatest levels of finances that you'll experience, that will be beyond measure, will be found when you encourage such a ministry of angels in your life. When you make decrees in the name of the Lord,

trusting that these angelic companies will be the ones to make them happen. These angels are sent to bring healing to people you are praying for. They are sent to bring life to dead situations. And you can encourage them today.

Proclamation

I recognize the ministry of angels in my life. I recognize that God has set them to be ministers of light to me. As a result, I experience their ministry in a tremendous way. I encourage their ministry. The decrees I make are being made in the light of this truth. Therefore, I benefit from the ministry of angels.

GOD'S CONFIDENCE IN YOU

For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them

**Ephesians
2:10 ESV**

Did you know that God has confidence in you? And it doesn't matter whether you had confidence in yourself or not. This is because He made you, you are His production. You were designed like an invention unto good works. God designed you unto good works.

You were perfectly designed by God to produce good works, to produce great fruits, and to bear beautiful things. That is why He also said that God has called and ordained us that we should 'bear much fruit'; “You didn’t choose me. I chose you. I appointed you to go and produce lasting fruit...” (John 15:16)

So as a result of what God knows He put inside you, He knows what to expect out of you. God has super confidence in you because you are His invention that was created unto good works. Your responsibility now is to respond to the confidence that He has in you. And use the confidence that He has in you to bring out the best of yourself and the best version of yourself. This is so instrumental to your faith. And you can be a blessing if you only respond to God's confidence in you.

Proclamation

I believe God has confidence in me. I take advantage of every good thing that the Word has said concerning me. I take advantage to produce good works and bear good fruits in His name.

RECAP TIME

**The end of the world is coming soon.
Therefore, be earnest and disciplined in
your prayers**

**1 Peter 4:7
NLT**

I heard this in my spirit not so long ago: 'we have entered a time of recap'. The verse above shows us that the end of all things is at hand. And therefore he encourages us to be sober, because all things have come to a close. This really describes the close, or the end — of this age.

More than ever, you are going to see so many glimpses of throwbacks and recap, not just of people's lives, but of the entire world. The entire world is standing at a standstill, not knowing what the future looks like.

And everything, from politics, social order, entertainment, sports, is all going to take a huge throwback. A huge recap

of all that has happened on earth till date. What it tells us as believers is that the age is coming to a closure. And the only thing we can have before we transition out of this age is the memory of this world. It's like this world is about to undergo a certain kind of classic overview.

People are retiring in sports, and we are talking about some of the greatest superstars that ever existed, people that this world might find difficult to replace. All these are messages, signs, and tokens to us as the church. And we have a responsibility in the recap time as we will read tomorrow.

Prayer Instruction

- Pray, declaring and asking God to give you all the wisdom and guidance so that you can discern the moment of the recap.
- And take advantage of that moment to bring God's light to the world, bring illumination to the world, and bring people closer.

WHAT'S YOUR RESOLVE?.....

.....

WHAT TO DO NOW IN THIS RECAP TIME

**The end of the world is coming soon.
Therefore, be earnest and disciplined in
your prayers**

**1 Peter 4:7
NLT**

Recap time only shows us how short the age is. Therefore if you have anything you want to do for the Lord, do it now. Don't wait. There are some dreams and visions that are still lingering in the hearts of many which have not come to pass.

And today, if you will only open your heart and believe, you would see that everything that God has written concerning you should come to pass to be part of fulfilling the Lord's mandates that will close the age.

Don't sit down doing nothing. Don't let your dreams and visions hang without settling in its purpose. Rather, take advantage of these moments and do what you must do now.

Proclamation

I do what I ought to do now. I'm not stuck in the system of this world. Neither am I moved in discouragement. I take advantage of the ministry of the Holy Spirit, which causes me to attain the things I need to attain at this time.

THE CHURCH; GOD'S MOUTH PIECE

God's purpose in all this was to use the church to display his wisdom in its rich variety to all the unseen rulers and authorities in the heavenly places.

**Ephesians
3:10 NLT**

Science from yonder times began with the attempt to displace the existence of an Almighty God and creator of not just the earth, but the entire landscape of the universe. Then as it approached the explorations of its vastness it began to withdraw that attempt.

Only in its advance did it begin to find the finger of God displayed in the very process; science now began to prove God. Then its counter parts in philosophy by trying to create a better social order failed to contain and define the true inherent human nature which was one thing to them today, and tomorrow another. In a nut shell these two

branches of human inquiry have not been successful in addressing the human problem.

Yet the church has the divine ordination to do this. We are called to be the spoke persons of God. We are called to reveal His intentions to the world, to reveal His mind and wisdom to the generation ahead for what is truly to come. Remember that you cannot be passive at this time in your responsibility to really be God's message to your sphere and reach. Don't be silent, don't act unaware.

Prayer instruction

1. Pray for a strong consciousness through passion to be able to function appropriately in speaking God's wisdom to your sphere.
2. Pray to remain alert and not casual of these moments and responsibilities. Declare you remain alert about them.

DIPLOMATS IN CHRIST

**Therefore we are ambassadors for Christ,
God making His appeal through us...**

**2 Corinthians
5:20 NLT**

Our call as believers is to be diplomats in negotiating, advancing, and preparing the world for what is to come. Our call is to bring the message from God's wisdom and spread them into the affairs of men in order to truly prepare them for the civilization that should take place.

Not many believers have been taught this, but it remains essential to the future of the world, and never has the world been ready for this. To you who now reads this; there is a strong responsibility that lies ahead of you, to carry your calling and fulfill it in every space of life. When we got

born again in Christ, the reason we were left on earth was to fulfil this mandate and answer all of life's questions through the ministry given us.

We were sent in the midst of a crooked and perverse world in order to mend and restore it. Therefore refuse to just be passive to your world. Take that work place, school, and all aspects of human reach to prepare somebody for what is to come.

Proclamation

As an end-time soldier, I am ever resolved as a diplomat to prepare the world for what is to come. As I convey God's message to them, I declare that they are subject to the reign of Christ in Jesus' name.
